PROFESSIONAL BULLETIN FOR THE BELL COUNTY BAR ASSOCIATION **Announce** PARALEGALS

PRESIDENT'S MESSAGE

Dear Members:

As my term comes to an end in the next two months, I would like to take this opportunity to express my gratitude for all the members that supported me. I truly appreciate all of you that have made our association what it is today. I would like to quote something that I received from my Killeen Leadership Class this month, "Leadership is much less about what you do and much more about who you are. If you view leadership as a bag of manipulative tricks or charismatic behaviors to advance your own personal interests, then people have every right to be cynical. But if your leadership flows first and foremost from your inner character and integrity of ambition, then you can justly ask people to lend themselves to your organization and its mission." Frances Hesselbein. I feel that this quote describes our leaders within our association.

I hope every one of you has a very prosperous 2010.

Cindi Evetts
